

600 SERIES

603

Bowers & Wilkins

The floorstanding speaker in the new 600 Series from Bowers & Wilkins brings pristine sound to your home. The flagship 603 speaker features our award-winning Continuum cone technology, which creates a pure and precise soundscape. Developed over an eight-year period and first featured on our flagship 800 Series Diamond models, the Continuum cone has been integrated into the sixth generation of the critically acclaimed 603 to transform the performance you expect from an entry-level speaker. The 603 features the proven Decoupled Double Dome tweeter, with a re-engineered assembly for better performance. Our improved paper bass cones combine effortless power and endless low-end with the precision and low-distortion accuracy you'd expect from Bowers & Wilkins. But the new 603 speaker isn't just about cleaner sound – it boasts a cleaner look, too. We removed grille pegs and replaced them with magnets, while moving the port to the rear cabinet, creating a modern and premium aesthetic, wrapped with a matte finish. Fill your home with beautiful Bowers & Wilkins sound.

Technical features Decoupled Double Dome aluminium tweeter

Continuum cone FST™ midrange

Paper bass cones Flowport™

Description 3-way vented-box system

Drive units 1x ø25mm (1 in) aluminium dome high-frequency

1x ø150mm (6 in) Continuum cone FST midrange

2x ø165mm (6.5 in) Paper profile bass

Frequency Range -6dB at 29Hz and 33kHz

Frequency Response 48Hz - 28kHz ±3dB

Sensitivity 88.5dB spl (2.83V, 1m)

Harmonic Distortion 2nd and 3rd harmonics (90dB, 1m)

<1% 90Hz - 22kHz <0.5% 120Hz - 20kHz

Nominal impedance 8Ω (minimum 3.0Ω)

Recommended amplifier power \$30W\$ - 200W into 8Ω on unclipped programme

Dimensions Height:

985mm (38.8 in) cabinet only

1055mm (41.5 in) with plinth

Width:

190mm (7.5 in) cabinet only

320mm (12.6 in) with plinth

Depth:

340mm (13.4 in)

370mm (14.6 in) with plinth

Net Weight 24.1kg (53.1 lb)

Boxed Weight 31.7kg (69.9 lb - single)

Finishes Cabinet: Grille:
