

Bowers & Wilkins

P3 Series 2 Headphones

Lightweight and foldable, providing size-defying bass and pristine detail, P3 Series 2 fits easily into your coat pocket for easy portability while their new soft-touch leather finish makes them more robust than ever before. This is the best sounding affordable headphone Bowers & Wilkins has ever made.

P3 Series 2 Headphones

Acoustics

Highly detailed P3 Series 2 is capable of revealing whatever music you listen to in wonderful detail. Highs and lows are as pristine as the pure, open midrange, and the performance is incredibly well balanced and natural.

Features

Portable by design P3 Series 2's lightweight construction and innovative folding mechanism make it reassuringly strong, incredibly comfortable, and perfect for stowing away in the provided protective case when not in use.

Drivers refined Bowers & Wilkins' renowned engineering team has worked wonders on P3 Series 2's small drive units. They have redesigned the driver to include a unique damping system to control diaphragm movement for improved resolution.

Quality materials P3 Series 2 is crafted from the finest materials, including aluminium and luxurious sheep leather, perfect for performance and durability and offering a more high-end feel than its highly regarded predecessor.
